

**9TH ANNUAL - CAMPUS FIRE SAFETY, SECURITY & RISK MANAGEMENT
PROFESSIONAL DEVELOPMENT CONFERENCE AND EXPO.**

**- IN CONJUNCTION WITH -
2012 CAMPUS FIRE DEPARTMENT SYMPOSIUM**

MARCH 5TH & 6TH, 2012 - COLUMBUS, OHIO

HOME OF THE OHIO STATE UNIVERSITY!

WELCOME TO COLUMBUS, OHIO - MARCH 5 & 6, 2012

This 9th annual conference provides educational workshops, presented by some of the nation's leading fire safety and industry professionals.

We are the only international conference focusing exclusively on Campus Fire Safety, Security, & Risk Management. Why all of those? Most of the educational facilities in this country are smaller Colleges and Universities, where just a few wear "many hats" (involving one or more of these responsibilities). We focus our annual event on

bringing you as much education and training relating to all of these areas so you can receive the "best value for the training dollar".

This is a truly international conference. Here in 2011, we hosted University Campuses from 36 States and 4 Countries.

We always have and always will continue to offer you the opportunity to learn from and interact with professionals from around the United States and beyond. Over the last 8 years we have had approximately 2,000 attendees representing hundreds of colleges & universities. This number also includes many federal, state, and local fire officials.

The purpose of this annual event is to provide high-quality education, technology and networking opportunities for campus fire safety and other related responsibilities. Our multiple day, multiple track format offers a self-directed, facilitated learning environment with education sessions, interactive forums, and extensive exhibition.

There are no special invitations, no yearly membership dues, just a handful of professionals donating their time to help you do your job better by; providing the knowledge and information to help you keep your faculty, staff, and students safe. The facilities you represent have the

responsibility of educating our nation's future. Let's work together to keep them safe today, so we can have a safer tomorrow.

Join your colleagues and network with your peers from across the country and around the world. From the educational sessions, vendor's exhibit and the popular Town Meeting, you'll gain new ideas and proven techniques to protect your campus community.

This event holds the record for the largest gathering of Campus Fire, Security, Risk Management, and related professionals under one roof. We hold our head proud when we say we have always provided the lowest pricing of any event of this type. From the registration cost to the hotel - welcome to the "Affordable Conference".

Rated as "The Best Conference" of its kind.

Registration pricing varies. Take advantage of early bird pricing and save.

Group Rates available for 2 or more registrations. Please see our registration page for details.

Attend for free - Scholarships for those campuses with financial hardships!

For our 9th Annual Professional Development Conference and the 2012 Campus Fire Department Symposium - we will offer a minimum of 5 scholarships (hopefully more). These scholarships will provide for a full conference registration package. Please see our "scholarships" menu button above for further information.

For 2012, we will be returning to the Hyatt Regency Hotel - Columbus, Ohio. This facility is located as part of the Greater Columbus Convention Center and Visitors Bureau. This where the conference * expo will be hosted. We are offering hotel rooms in the Hyatt for only \$99.00 per night. This Hyatt has accommodated us in the past with exceptional service to our attendees!
